## THE "BOULDER SPECIALISTS"

Our RockCraft team's craftsmanship is the industry's finest; we live & breathe bouldering & rock climbing.

BOULDERING is a challenging style of rock climbing undertaken without the need for ropes and done horizontally at low heights.

# BALANCE COORDINATION FLEXIBILITY FOCUS

## ROCKCRAFT'S UNIQUE FEATURES

SAFETY - signature "V" design  
CLIMBABILITY - full range of hold types & degree of difficulty, largest variety of models, with 100s of holds per piece  
AESTHETICS - looks, feels, sounds, and climbs like real rock  
DURABILITY - built to support 1,600 - 12,600 pounds, Ascender-Chief

LOS ALAMOS Park, Mesa AZ

Kids love the excitement of climbing our boulders    Teens like the challenge, competition & social aspect    Adults love the work out
